

PHYSICAL REHABILITATION & WELLNESS CENTER

WEEKLY UPDATE

June 5, 2020

Dear Residents and Families/Representatives,

Please accept this letter as Physical Rehabilitation and Wellness Center's (PRWC) weekly update to keep you informed about what our facility is doing to keep our residents and staff safe during the ongoing coronavirus pandemic.

As of today, we have no confirmed cases of COVID-19 in our facility. We continue to offer window visits or facetime communication for residents. If this is something you would like to do, please contact us so that we may coordinate a time.

As we have previously reported, we continue to practice the enhanced safety precautions recommended by our federal, state and local health officials. Only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website at <http://prwccspartanburg.com> for weekly updates.

As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19. If you have any questions or concerns please contact us directly 864-542-8515.

Sincerely,

Diana Chavis, MHA, LNHA, CRCFA
Interim Administrator
