

PHYSICAL REHABILITATION & WELLNESS CENTER

JULY 3, 2020

Dear Residents and Families/Representatives,

Our staff has been working hard to make sure our residents are safe and we are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We appreciate your support as we continue to take all necessary steps to prevent further spread of COVID-19. Governor McMaster reported last week that he is working with DHEC on a re-opening plan but nothing has been finalized. Once we do we will let you know. I feel certain that with the increase in positive cases it may have delayed any reopening.

We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19. Please continue to check the website for weekly updates. If you have any questions or concerns please contact us directly 864-542-8515.

Sincerely,
